Access to UCLA Laboratories

1. UCSB NetID Registration

- Visiting Researchers: You need to create a UCLA logon following these steps:
    - Click the 'New to Worksafe' link on the login page.
    - Then you can create a UCLA Logon ID on the left-hand side of the screen:

Once you receive the Annex Locator, activate your UCSB netID using the UCSB Identity Manager as a University Affiliate. (This step is not required for UCSB-based researchers).
