

new user you need to apply for access to the exterior doors and the relevant labs (Synthesis and Characterization 2411 Elings, Additive and Manufacturing, 3436B Elings, and SAX/WSAX system, 3419 Elings at [the CNSI access request site](#).

- Complete the online health screening on the days that you will be working on campus.
- When you apply for card key access we will add you to the FBS reservation system so that you can reserve time in the labs (see scheduling information section above). Remember that you need to reserve the room and the tools that you will be using while in the lab.
